LUNCH. LEARN. LEAD.

The Lunch & Learn is an opportunity to come around the table with your team to learn valuable leadership and collaboration principles together as a group.

## THE LAW OF SIGNIFICANCE

*There is too small a number to achieve greatness*

-John C. Maxwell

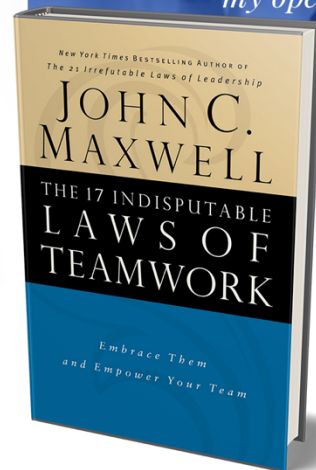

**THE 17 INDISPUTABLE LAWS OF TEAMWORK LUNCH & LEARN** will focus on two of the 17 laws from the corresponding book:

- **THE LAW OF SIGNIFICANCE**
- **THE LAW OF THE NICHE**

When you participate in this group learning experience, we will review practical application lessons from each law and discuss them as a group so team members can share key takeaways.

*Lunch & Learn sessions can be scheduled for any time of day or night and last between 30-60 minutes.*

*You may book a private session for you and your team, or you may contact me about joining one of my open sessions.*

## THE LAW OF THE NICHE

-John C. Maxwell

This promises to be the most **INSIGHTFUL, PRODUCTIVE & ENGAGING LUNCH BREAK** you have ever had!

*Contact me to schedule this workshop for your company.*
